The screenshot displays the HRBLADE web application interface. On the left, a sidebar menu lists various roles: Application Support Engineer (1), Senior Event Technology Manager (7), Senior Transformation Program Manager (14), Senior Project Manager (11), and Sales Manager (5). The main content area shows a job listing for 'Application Support Engineer' at Centenec. It includes buttons for 'Invite' and 'Look', and displays statistics: 'Invited 0 people', 'Responses 5 people', 'Start date 16 Mar 2021', and 'End date 19 May 2021'. Below this is a 'List of candidates' table with columns for name, status, ranking, answers rate, and status. The table lists five candidates: Megan Archibald (ACCEPTED), Lily Carrington (REVIEW), Chloe Dean (REVIEW), Liza Hailey (ACCEPTED), and Adam Duncan (REVIEW). The interface also includes a top navigation bar with 'Jobs 5', 'Live 1', 'Companies 1', 'Users 0', and a 'Tarif plan: Premium Upgrade' button.

# Attract talent and boost applications

Attract talent and boost applications with careers pages that put your brand and jobs in the spotlight.

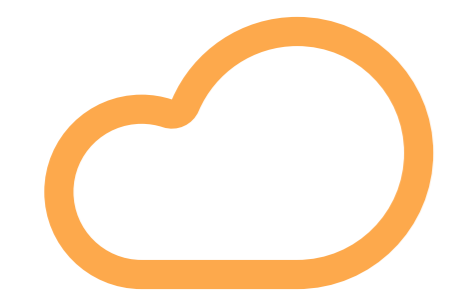

## Functional careers page builder and application form builder allow attracting the right candidates and boost applications

The collage illustrates the HRBLADE platform's capabilities. On the left, a person is shown interacting with a 'Careers at HRBLADE' page builder interface, which includes a sidebar with job categories like 'Application Support Engineer', 'Senior Event Technology Manager', and 'Sales Manager'. The main area shows a 'Top manager' profile and a 'Research Scientist' profile. In the center, a candidate profile page is displayed, featuring a 'Your ideal profile of candidate' section with a table of competencies and their rates. The table includes:

Competencies	Rate, %
Dependability	70
Problem solving	100
Team orientation	60
Emotional intelligence	80
Communication	70
Cognitive ability	95

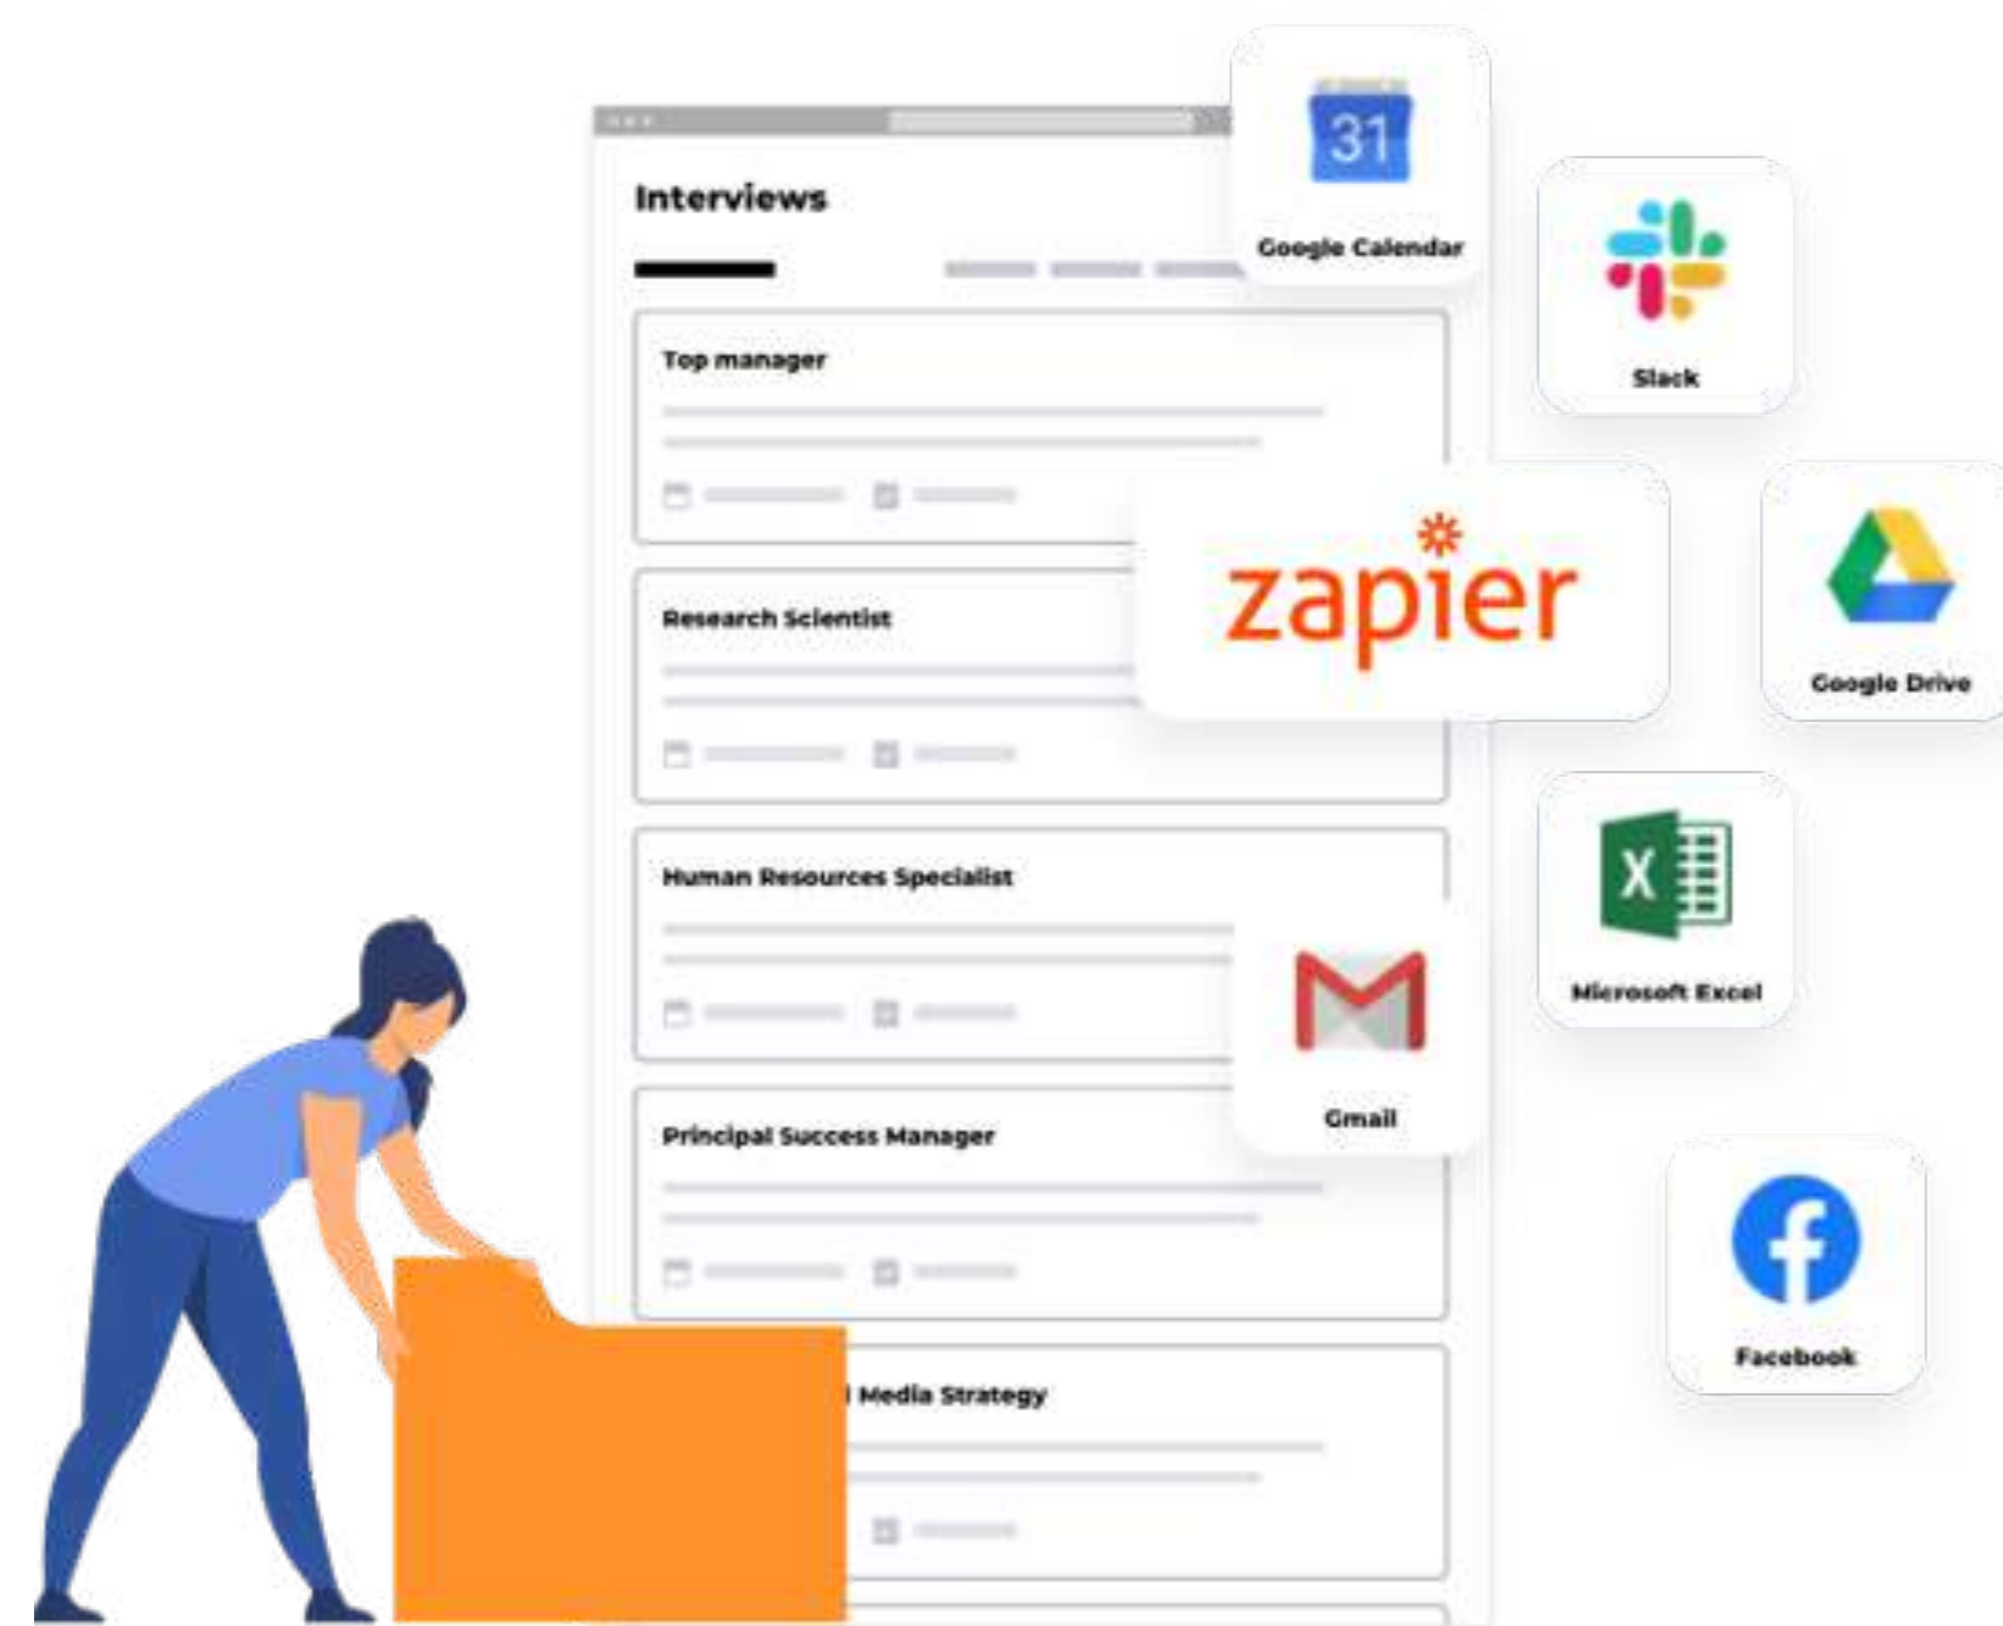

Below the table, there are options to 'Add your own' competencies and checkboxes for 'Ask for CV' and 'Ask for Motivational letter'. On the right, a job listing page for 'Human Resources Specialist' at Centenec is shown. The page includes the company logo, a profile picture of a woman, the job title, location ('Vienn, Austria'), and salary ('\$65,004 a year'). It also features a 'Get Started' button and a checkbox for 'I agree to the Privacy Policy'.

# Using data-driven recruitment
